Subject: 21-day screen – 83529-RAR - revised documents needed

Hi Keeva,

I am contacting you in regard to your submission in support of the product *Sharda Boscalid 23.3% + Prothioconazole 10% SC* (EPA Reg. No. 83529-RAR). We have found the following deficiencies with the submission that will need to be addressed:

1. Application:

- Box 1 should have the file symbol 83529-RAR.
- Section 2 has the "Me-Too" box checked. The "Other" box should be checked instead.

2. Certification with Respect to Citation of Data:

- Other actives are listed. We need the actives that are on the proposed CSF.

3. Formulator's Exemption Statement:

- The product name is not the same as listed on the proposed label.

Please send all necessary documents to this e-mail address as soon as possible. If you have any questions, please do not hesitate to contact me.

Thank you,
Vanessa
